

Risk & Insurance Consultants is seeking an Experienced Personal Lines Account Manager to join the team. Only those P&C licensed candidates with experience handling a book of personal lines insurance accounts will be considered.

Benefits:

This role is remunerated based upon experience and contribution to the organization through a combination of **Salary, Bonuses** and **Profit Sharing**. The agency also provides full **Group Health Insurance, 401k with Match** and supports the pursuit of industry designations.

Responsibilities:

The role's primary focus is service, sales and associated tasks in the personal lines insurance industry involving Home, Auto and other personal lines insurance products. Specific service responsibilities are fulfilling client endorsement requests, answering coverage and billing questions, processing payments, and facilitating the remarketing and rewriting of existing policies. Other tasks include assisting producers with new clients, proposal preparations, client renewal reviews, and cross selling.
